

Benjamin Miller Scholarship

Community Church is extending an invitation to any graduating senior and/or any existing college student to apply for the Benjamin Miller Scholarship. Buzz and Alyson Miller, along with their families, have decided to initially fund this scholarship in honor of their son, Benjamin Miller, who passed away in 2012 after only six weeks of precious life. Though his life was short, Benjamin was incredibly precious and valued, and God has used the Miller family circumstances to provide opportunities to share about the hope found in Jesus. This \$500 scholarship will be awarded every spring to one individual who submits a paper addressing any issue related to the value of life (from conception through the end of life).

Please contact Tiffani Robinson, Student Ministry Administrative Assistant, with any questions. Please email submissions to Tiffani (trobinson@ccfdl.org) by April 7, 2021. This year's scholarship recipient will be announced by May 16. The cash benefit will be awarded upon completion of one semester's classes, signified by submitting a copy of the transcript.

Timeline:

- Deadline for submissions: April 7
- Committee to meet April 28-May 8, with final decision announced by May 16
- Scholarship money awarded by January 15, 2022, upon transcript submission

Guidelines for Paper:

- Address any issue related to the pro-life movement (from conception through the end of life) and discuss your values and beliefs, as well as what helped shape them.
- Answer the question: How have your life and values been affected by issues of life and death? In particular, what has helped you form your belief regarding the sanctity of life and how has that belief affected what you plan to do in your life? Where possible, describe any experiences which have intensified your values and beliefs.
- Please keep your paper to no more than two pages, double-spaced, number 12 font.
